

Certificate No. 240205-3

Applicant: Tekna Advanced Materials Inc.  
Manufacturer: Tekna Advanced Materials Inc.  
Website: <https://www.tekna.com/>  
Address: 2895, Industrial Blvd., Sherbrooke, QC, Canada, J1L 2T9, T: 862-243-2329

**Product:** ALSi10Mg powder

---

### **Certification for the Regulation (1907/2006) concerning the Registration, Evaluation, Authorisation, and Restriction of Chemicals (REACH)**

This letter is to confirm that the product referenced above has been evaluated against Regulation (EC) 1907/2006 of the European Parliament, "Registration, Evaluation, and Authorization of Chemicals (REACH). The compliance status of the product is confirmed by the sections below.

- All components of this product are listed, or excluded from listing, on EEC inventory EINECS (European Inventory of Existing Commercial Chemical Substances).
- The product(s) referenced above, DO NOT CONTAIN any of the 240 REACH SVHCs as updated by ECHA in January 2024 (<http://echa.europa.eu/candidate-list-table>) in concentrations above 1000PPM.
- The product(s) referenced above have been evaluated for the presence of restricted substances listed in REACH Annex XVII and do not contain any of the restricted substances within the scope of the restriction condition.
  - The product shall not be used as a substance or as mixtures in aerosol dispensers where these are intended for supply to the general public.
  - The product is only for professional users.

EnviroPass Expertise Inc. (EnviroPass) believes to the best of its knowledge and expertise that this certification is accurate as of its date of signature. EnviroPass has relied upon statements of agencies, manufacturers, suppliers, subcontractors, and others in the preparation of this certification. Declarations of Conformity are issued under the sole responsibility of the manufacturer. Within the above-defined limitations, this certification is valid unless superseded by a revised certification at a later date.
